**FINAL CONSENT JUDGMENT AND PERMANENT INJUNCTION AGAINST DEFENDANTS**

THIS MATTER is before the Court on the Parties' Stipulation For Entry of Final Judgment and Permanent Injunction Against Defendants [DE-5]. Plaintiff, TRACFONE WIRELESS, INC. ("TracFone"), brought the above-captioned lawsuit against SNS COMMUNICATIONS, INC. a New York corporation, ("SNS"), PRINCE AMIR, individually, ("Amir"), SAFIR SAYIAD, individually ("Sayiad") and SUHAIL CHOCHAN, individually ("Chohan") (collectively, "Defendants"), alleging that the Defendants are engaged in an unlawful enterprise involving the acquisition, sale and alteration of large quantities of TracFone, NET10, Straight Talk and SafeLink branded prepaid wireless telephones ("TracFone/NET10 Prepaid Phones" or "Phones") purchased from various retail outlets such as Wal-Mart, Target and Sam's Club, the solicitation and payment of others to bulk purchase TracFone/NET10 Prepaid Phones for Defendants' benefit, and computer hacking and erasing or otherwise disabling the prepaid software ("TracFone/NET10 Prepaid Software") installed in the Phones and essential for consumers to access TracFone's prepaid wireless network. This unlawful business practice involves the unauthorized and/or unlawful purchase, resale and/or trafficking of TracFone/NET10 Prepaid Phones, the unauthorized and/or unlawful unlocking and/or reflashing of TracFone/NET10 Prepaid Phones and/or alteration, copying, and/or accessing of TracFone's copyrighted and proprietary software computer code installed in the Phones, or reselling the Phones to others who disable the software, and ultimately sell the altered Phones as new to unsuspecting consumers under the TracFone, NET10, Straight Talk or SafeLink

trademarks for unauthorized use outside of the TracFone prepaid wireless system for profit (the “Illicit Bulk Resale Scheme”).

TracFone/NET10 Prepaid Phones are sold subject to terms and conditions (“Terms and Conditions”) which conspicuously restrict and limit the sale and use of TracFone/NET10 Prepaid Phones. These Terms and Conditions are set forth in printed inserts that are included in the packaging with every TracFone/NET10 Prepaid Phone, and are also available to the public on TracFone’s website. The Terms and Conditions are also referenced in printed warnings that are placed on the outside of the retail packaging of the Phones. The Terms and Conditions and language on the packaging constitute a valid binding contract between Defendants and TracFone.

Pursuant to the Terms and Conditions and the language on the packaging, purchasers of TracFone/NET10 Prepaid Phones agree: (a) to use the Phones only in conjunction with the TracFone or NET10 prepaid wireless service; (b) not to tamper with or alter TracFone/NET10 Prepaid Phones or the Phones’ software, enter unauthorized PIN numbers in the Phones, engage in any other unauthorized or illegal use of the Phones or the TracFone, NET10, Straight Talk or SafeLink service, or assist others in such acts; and (c) not to export any TracFone/NET10 Prepaid Phones outside of the TracFone, NET10, Straight Talk or SafeLink wireless system coverage area (“Coverage Area”). In violation of the Terms and Conditions, Defendants have, among other things, unlawfully exported TracFone/NET10 Prepaid Phones to foreign countries outside of the Coverage area or knowingly facilitated others who have done so; facilitated others to use the Phones without the TracFone, NET10, Straight Talk or SafeLink prepaid wireless service; and altered TracFone/NET10 Prepaid Phones and the Phones’ software or facilitated others who have done so.

As a result of Defendants’ alleged involvement in the Illicit Bulk Resale Scheme, TracFone asserted claims against the Defendants for Breach of Contract; Federal Trademark Infringement in violation of 15 U.S.C. §1114.; Federal Unfair Competition in violation of 15 U.S.C. §1125(A); Common

Law Unfair Competition; Contributory Trademark Infringement; Copyright Infringement of Software in violation of Title 17 of the United States Code; Circumvention of Technological Measures That Control Access to Copyrighted Software and Trafficking in Services That Circumvent Technological Measures Protecting Copyrighted Software in violation of the Digital Millennium Copyright Act (“DMCA”); dilution of TracFone’s marks, 17 U.S.C. §1201, *et seq.*; Tortious Interference with Business Relationships and Prospective Advantage; Tortious Interference with Contract; Dilution of TracFone’s Trademarks under common law unfair competition; conspiracy to induce breach of contract; unfair competition unfair competition and false advertising under Fla. Stat. 501.204; civil conspiracy; and unjust enrichment.

Accordingly, it is hereby,

**ORDERED, ADJUDGED and DECREED** that:

1. This Court has jurisdiction over all the parties and all of the claims set forth in TracFone’s Complaint.

2. The Court finds that TracFone owns all right, title, and interest in and to United States Trademark Registration No. 2,114,692, for “TracFone,” issued on November 18, 1997 and based on a first use date of June 30, 1996; United States Trademark Registration No. 2,761,017, for “TracFone,” issued on September 9, 2003 and based on a first use date of December 2000; United States Trademark Registration No. 3,224,929, for “TracFone,” issued on April 3, 2007 and based on a first use date of December 31, 2005; United States Trademark Registration No. 3,222,623, for “TracFone,” issued on March 27, 2007 and based on a first use date of December 31, 2005; United States Trademark Registration No. 3,118,250, for “NET10,” on July 18, 2006 and based on a first use date of March 1, 2005; United States Trademark Registration No. 3,255,754, for “NET10,” issued on June 26, 2007 and based on a first use date of December 31, 2005; United States Trademark Registration No. 3,253,506, for “NET10,” issued on June 19, 2007 and based on a first use date of December 31, 2005; United States Trademark Registration No. 3,251,389, for “NET10,” issued on June 12, 2007 and based on a first use date of December 31, 2005; United States Trademark Registration No. 3,630,321 for “SafeLink Wireless” and Design, issued on June 2, 2009 and based on a first use date of September 12, 2008; United States Trademark Application No. 77/740,346 for “SafeLink”, filed on May 19, 2009; United States Trademark

Application No. 77/685,281 for “Straight Talk”, filed on March 6, 2009; United States Trademark Application No. 77/685,279 for “Straight Talk”, filed on March 6, 2009; United States Trademark Application No. 77/685,274 for “Straight Talk”, filed on March 6, 2009; United States Trademark Application No. 77/691,921 for “Straight Talk Wireless”, filed on March 16, 2009; United States Trademark Application No. 77/691,917 for “Straight Talk Wireless”, filed on March 16, 2009; and United States Trademark Application No. 77/691,925 for “Straight Talk Wireless”, filed on March 16, 2009 (collectively the “TracFone/NET10/Straight Talk/SafeLink Trademarks”).

3. The TracFone/NET10/Straight Talk/SafeLink Trademarks are valid, distinctive, protectable, famous, have acquired secondary meaning and are associated exclusively with TracFone. The Court finds that the trademark registered under Registration No. 2,114,692 is incontestable.

4. The Court further finds that TracFone holds a valid and enforceable copyright registration, TX 6-515-894, on the TracFone Prepaid Software.

5. The Court finds that the Defendants’ alleged involvement in the Illicit Bulk Resale Scheme, if proven, constitutes Breach of Contract; Federal Trademark Infringement in violation of 15 U.S.C. §1114; Federal Unfair Competition in violation of 15 U.S.C. §1125(A); Common Law Unfair Competition; Contributory Trademark Infringement; Copyright Infringement of Software in violation of Title 17 of the United States Code; Circumvention of Technological Measures That Control Access to Copyrighted Software and Trafficking in Services That Circumvent Technological Measures Protecting Copyrighted Software in violation of the Digital Millennium Copyright Act (“DMCA”); dilution of TracFone’s marks, 17 U.S.C. §1201, *et seq.*; Tortious Interference with Business Relationships and Prospective Advantage; Tortious Interference with Contract; Dilution of TracFone’s Trademarks under common law unfair competition; conspiracy to induce breach of contract; unfair competition; unfair competition and false advertising under Fla. Stat. 501.204; civil conspiracy; and unjust enrichment.

6. The Court finds that the Terms and Conditions constitute a valid binding contract enforceable against Defendants. The Court finds that: (a) facilitating others to use TracFone/NET10 Prepaid Phones in conjunction with service providers other than TracFone, (b) tampering with or altering TracFone/NET10 Prepaid Phones or the Phones’ software, entering unauthorized PIN numbers in the Phones for purposes of unlocking or reflashing the Phones, or facilitating others in such acts, and/or (c)

exporting TracFone/NET10 Prepaid Phones outside of the Coverage Area, or assisting others in such acts, respectively, constitute independent breaches of contract for which TracFone is entitled to relief.

7. The Court further finds that Defendants' alleged involvement in the Illicit Bulk Resale Scheme, if proven, has caused substantial and irreparable harm to TracFone, and will continue to cause substantial and irreparable harm to TracFone unless enjoined.

8. TracFone is entitled to injunctive relief and damages on the claims set forth in the Complaint.

9. On November 27, 2006, the Librarian of Congress, upon the recommendation of the Register of Copyrights, issued a Final Rule setting forth six (6) classes of copyrighted works that are exempt from the provisions of the DMCA, including:

Computer programs in the form of firmware that enable wireless telephone handsets to connect to a wireless telephone communication network, when circumvention is accomplished for the sole purpose of lawfully connecting to a wireless telephone communication network.

71 Fed. Reg. 68472 (Nov. 27, 2006) (amending 37 C.F.R. §201.40(b)). The Court finds that this exemption does not absolve the Defendants of liability for their violations of the DMCA as alleged in TracFone's Complaint, because the Defendants' conduct as alleged in this case does not come within the scope of the exemption. As alleged in the Complaint, the Defendants' purchase and resale of TracFone/NET10 Prepaid Phones was for the purpose of reselling those handsets for a profit, and not "for the sole purpose of lawfully connecting to a wireless telephone communication network." Because the exemption does not apply to the conduct alleged in this case, there is no need for the Court to address the validity of the exemption or the circumstances surrounding its enactment.

10. Final judgment is hereby entered against Defendants, jointly and severally, and in favor of the Plaintiff, TracFone Wireless, Inc., a Delaware corporation, on all of the claims set forth in TracFone's complaint, in the principal amount of FIVE MILLION DOLLARS AND ZERO CENTS (\$5,000,000.00), which shall bear interest at the legal rate, and for which let execution issue forthwith.

11. Defendant SNS, and each and all of its respective officers, directors, successors, assigns, parents, subsidiaries, affiliates, related companies, predecessors-in-interest, principals, agents, employees, attorneys, accountants, investigators, consultants, and all other persons or entities acting or purporting to act for him/her/it or on his/her/its behalf, including but not limited to any corporation, partnership, proprietorship or entity of any type that is in any way affiliated or associated with any Defendant or any Defendant's representatives, agents, assigns, parent entities, employees, independent contractors, accountants, attorneys, associates, servants, affiliated entities, Amir, Sayiad and Cohan, and each of his heirs, assigns, personal representatives, beneficiaries, relatives, agents, employees, attorneys, accountants, investigators, consultants and all other persons and entities acting or purporting to act for him or on his behalf, including but not limited to any corporation, partnership, proprietorship or entity of any type that is in any way affiliated or associated with any Defendant, and any and all persons and entities in active concert and participation with any Defendant, are hereby PERMANENTLY ENJOINED from:

16. The last known address of Defendant, Chohan is 3731 73<sup>rd</sup> Street, Apartment. No. 5E, Jackson Heights, New York 11372.

17. The address of Plaintiff, TracFone Wireless, Inc. is 9700 Northwest 112<sup>th</sup> Avenue, Miami, Florida 33178.

18. This case remains pending against the other defendants named in TracFone's Complaint.

19. The Court finds that there is no just reason for delay of the entry of judgment against Defendants, SNS Communications, Inc., a New York Corporation, Prince Amir, individually, Safir Sayiad, individually, and Suhail Cohan, , individually, and therefore, pursuant to Fed. R. Civ. P. 54(b), directs the Clerk to enter Judgment as set forth herein.

DONE AND ORDERED in Miami, Florida this <sup>12</sup>20 day of October, 2009.
